

Ui_InfoPage::setupUi

```
graph LR; A[Ui_InfoPage::setupUi] --> B[Ui_InfoPage::retranslateUi];
```

A diagram showing a call from the `Ui_InfoPage::setupUi` function to the `Ui_InfoPage::retranslateUi` function. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

Ui_InfoPage::retranslateUi
